

Dave Thorpe Evo Round 2 Torrington 1st May

After a very blowy night we awoke to a bright but still breezy day. The Torrington club had prepared the track really well and had put down a lot of water and with the help of a hard shower in the first race the dust was kept down for a while at least.

Racing was fast and furious with all riders striving for best place over all. Ben Milward 250 Yamaha hole shot the 1st race and loving the wet conditions put in an impressive lead to take the win.

Race 2 and 3 saw visiting rider Sam Chapman out in front enjoying the power of the 500cc Honda, closely chased by Ross Sturmeay 500cc Kawasaki.

Phill Lewis on a 125 Honda enjoying the fun of the little 2 stroke was up the front and took 1st 125cc overall.

Other riders who were having a good ride, where, Louis Reid No4 and Kevin Saunders No2 in the 250cc group. Gary Benham and Mike Popperwell in the 125cc and Roger Strudwick and Steve Kendrew in the 500cc. There was however, good racing through the group with 125 racing 125 and so on.

Overall Results are on www.inchains.co.uk web site.

Next meeting is on the 30th May at Asham Wood Frome so if you haven't done it get your entries in now.
